REQUEST FOR CORRECTED FILING RECEIPT

Honorable Commissioner of  
Patents and Trademarks  
Washington, D. C. 20231

April 5, 1990

Sir:

The original filing receipt for this application had an error in the foreign priority information and erroneously stated that there were 35 sheets of drawings when in fact there are 36. A Request For Corrected Filing Receipt was submitted April 28, 1989, but that erroneously indicated that it was the number of claims that was incorrect rather than the number of sheets of drawings. A corrected filing receipt was issued correcting the foreign priority information but still giving the incorrect number of drawing sheets.

A corrected filing receipt is requested showing that 36 sheets of drawings were filed with this application.

Respectfully submitted,
